Malvern

Malvern is a suburb of Philadelphia with a population of 3,447. Malvern is in Chester County and is one of the best places to live in Pennsylvania. Living in Malvern offers residents an urban suburban mix feel and most residents own their homes. In Malvern there are a lot of restaurants and parks
There has been significant growth since last year with more revitalization happening on both residential areas as well as commercial districts alike!

The borough of Malvern has a history that dates back to the Victorian era, Malvern still reflects this in its Victorian facades and lamps found throughout. Residents continue to be attracted by this historic district with businesses thriving along bustling streets lined by brick pavers left over from when it used to serve as an industrial town square!

SCHOOLS

If you're moving to Malvern with children, you'll want to check out the schools.

The public schools are the **Great Valley School District**.

<https://www.gvsd.org/>

There are also a number of private school options in the area.

There are various ways to decide if a particular school or school district measures up against your priorities. There are websites that provide ratings and comparison tools based on test scores and other factors for schools, such as [Greatschools.org](https://www.greatschools.org) and [Niche.com](https://www.niche.com).
